THE Close Fees: \$33,700.00

Outstanding Repossession Fees & Storage have not posted yet, when they do, I'll email you. The storage fees will need to be updated daily.

In addition, a multitude of consumers have submitted CFPB complaints against CAC as well as State level merchandising complaints . We will, as they become available, assist those consumers in the submission of their complaints.

By the way, I found out that you'd canceled the "inspections" yesterday. So, knowing this, you deliberately LIED to me. What could I have expected? You are WHAT you are, if you can catch my drift? ☹
